Our basic membership is designed for the self-motivators that want to come in and get their work done. It includes access to our Cardio Theater, housing the industry's most state of the art cardio-vascular equipment. Also included is full access to our strength training area with the latest selectorized plate-loaded and free weight equipment. Finally, you will have full access to our indoor aquatic area featuring a 20-yard heated activity/lap pool, therapeutic whirlpool and dry sauna. Truly designed to fit any budget.
